

THE COOK COMMUNITY

Cooking connects and brings students together.

An app for international students to get in touch with and cook for each other. With the app, students with the same interests are matched, can start chatting and schedule appointments.

 NOW AVAILABLE AS WEBAPP

STEP 1: Create your account

Fill in your interests so the app can connect you with other students.

STEP 2: Find students

Find other students you would like to get in touch with.

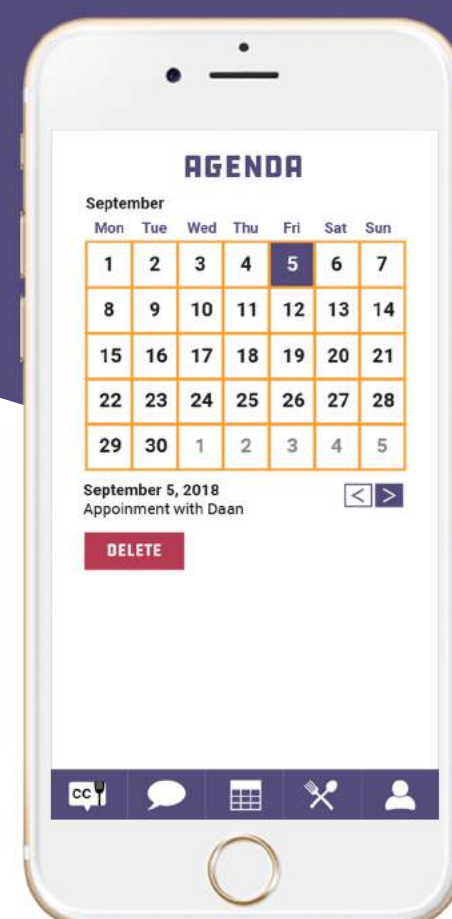

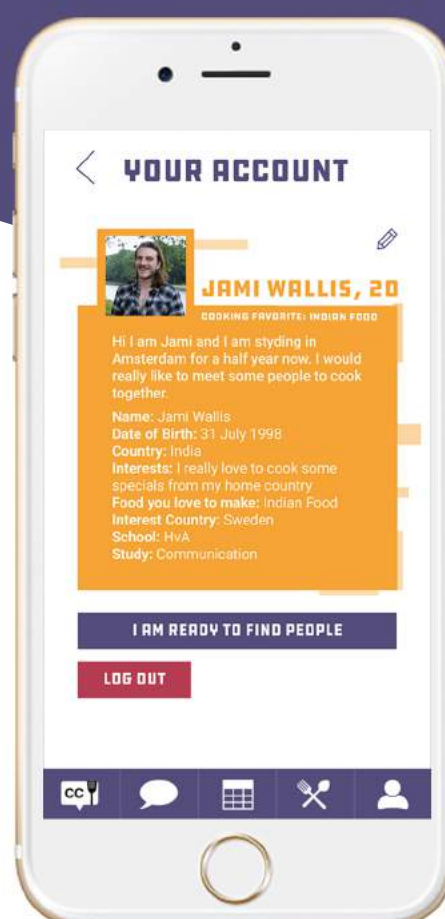

STEP 3: Start chatting

Start chatting with a student you would like to cook with.

STEP 4: Plan

Plan your appointment easily in the app.
